JACK PINE'S STUMP

Note to this guy who shot a deer to the Ox Bow Club Thanksgiving afternoon. Both you and your Ford were noticed. Also note the fact that you cut the deer and took off. Maybe you're not as smart as you think you are.

A couple of weeks ago I wrote something about the deer of the Ox Bow Club. Well, it came a letter from Nash in which he admits that Grayling is the best place to be a hunter. (Fine construction, all.) He admits, too, that he is struggling to keep up with the Chamber Manager. He also says that he is going to try to get the Chamber to support him with all its might. He says that he is going to try to get the Chamber to support him with all its might. He says that he is going to try to get the Chamber to support him with all its might.

A few months ago I mentioned a few definitions of psychotics and neurotics. Now I got another one, according to the British surgeon, Dr. Webb. He says that a psychotic is a man who builds castles in the air. A psychotic is a man who is in the air. A psychotic is a man who is in the air. A psychotic is a man who is in the air.

In one of the Conservation Department news releases is a story of an unidentified deer hunter who was hunting with just two shells in his gun. Along comes a buck and the hunter fires and down goes the deer. But he gets back up again. The buck comes and the hunter fires and down goes the deer. But he gets back up again. The buck comes and the hunter fires and down goes the deer. But he gets back up again.

Go on, Jack Pine. Finally got his. He has a nice cooperative live one. Didn't try to charge anything. He ran about 150 yards and suddenly dropped dead, short of the heart. But I had to wait almost two miles, and when he came home after dark he was weighed ton!

Christmas Toy Project

WHAT WE NEED AND HOW TO GET IT

Pictured above in the foreground are several members of Grayling High School class painting up some repaired toys. Boys in the rear of the picture are at work repairing some toys for Christmas distribution.

By Wesley Kumpula
Editor's Note—This is the second in a series of stories which are to be written by members of the faculty of the Grayling Public Schools and will appear each week in the Avalanche.

For the past five years Grayling High School Shop Class boys have been repairing and repainting toys for the toy repair headquarters at Christmas time to the underprivileged youngsters of our community by the local Kiwanis Club members. The broken toys and those needing painting are brought to the school shop for reconditioning.

These toys were once the proud possessions of the more fortunate children of Grayling. To the families who donate and bring them to the school shop for reconditioning, many thanks and appreciation is due. Without their help the undertaking would not succeed. With the cooperation of our local Kiwanis Club, the school, and the

R. C. Puffer NOW IN WASHINGTON

Reverend R. C. Puffer of Grayling was invited by President Eisenhower to take part in the White House Conference on Education in Washington, D. C., November 28-December 1. He is one of fifty-five persons—the quota for Michigan—to be invited from his State.

The invitation entitled him to participate in the national meeting on schools, first ever called by a President of the United States, along with some 2,000 other citizens from fifty-three States and Territories. The White House Conference followed similar meetings called by the Governors of the States and Territories during the past year, in response to the President's call for "the most thorough, widespread and concerted study the American people have ever made of their educational problems."

Of the 2,000 persons attending, 1,400 were selected by the States and Territories in accordance with quotas. The group was representative of national organizations with interests in education, and the remaining 300 were members of Congress, Governors, chief State school officers, foreign observers, discussion leaders and others.

The program in Washington was arranged by the President's Committee for the White House Conference on Education, a 34-member group headed by Neil H. McElroy of Cincinnati, Ohio, president of the Procter & Gamble Company.

Three Viking Grid Players

Jim Parkinson

Although coaches of the Northern Class C Conference saw fit to place Viking Guard Jim Parkinson on the second all conference team, the second team of the Vikings fans, his grid ability was vindicated as he was placed on the first team of the 1955 Northwest Michigan All-Star grid team last week.

Stellar Halfback Gary Worden was named to the second team and Tackle Lawrence Canfield was given honorable mention. Parkinson along with Gary Vandenberg and Walt Pequette of Charlevoix and Murray Hartung of Boyne City captured four of the eleven spots for the conference on the mythical eleven. Other players came from Honor, Mr. Pleasant, Shelby, Cadillac, White Cloud, Ludington and Cedar Springs.

In all thirty-one football players from the Northern Michigan Class C Conference were either named to the second team or given honorable mention.

Jim Parkinson was named to the Second team All-State Class C football team Sunday in the Detroit Times.

Worden and Parkinson were both honored by the Detroit Free Press this past Sunday by being given honorable mention on the All State squad.

The United Press named Parkinson to the All Class C-D first team and gave Worden, honorable mention for northeastern Michigan.

Expect Crowd Of Near 200 To Attend Football Banquet

About 200 people are expected to attend the Viking football banquet which will be held at the Michelson Memorial Church next Monday evening starting at 7:00 P. M. It had been planned for the new gym but last minute arrangements made the change necessary.

The dinner will be served by Ladies of the Mary Martha Circle of the Michelson Memorial Church. Dr. J. F. Cook who is chairman of the event which is being sponsored by the Kiwanis Club of Grayling, has announced the program. Willard R. Cornell, former coach of the Vikings will act as toastmaster. Rev. Fr. John Breitenstein will pronounce the invocation while Rev. Wayne Root will give the benediction.

Following the dinner, Larry Baumann will present the letters to the banquet guests with Cornell slated to then introduce the speaker who will also show movies of the Michigan State Wisconsin game. The football squad will be members of the Kiwanis Club at the banquet and attending besides the Kiwanis members and their wives, will be parents of the football players and other interested people. Tickets are available for any Kiwanis member or may be purchased at the door.

Dedication Program Set For Halftime

Grayling's new gymnasium will be dedicated tonight during the halftime of the varsity game between the Grayling Vikings and the East Jordan Red Devils.

Grayling's new gymnasium will be dedicated tonight during the halftime of the varsity game between the Grayling Vikings and the East Jordan Red Devils. A full gym is anticipated for the first basketball game on the new floor which is a conference contest of the Northern Class C conference.

With a seating capacity of 1,408 plus several hundred more on folding bleachers on the gym floor level, the new building is expected to handle most any crowd that wishes to attend a basketball game including tournament play for which a request has been made to the State High School Athletic Association. Whether a tourney, district or regional or quarter final game is to be scheduled in the new Grayling gym will be announced by the association's office in Lansing later in the season.

Students of Grayling High School are selling advance tickets for the game, and, of course, admission may be paid at the door. In that the contest is scheduled for a Thursday night, most schools in the conference as well as other neighboring schools are expected to have a group in attendance. School officials are hoping for a standing room only crowd for the first game and dedication program. The program which will take place at halftime will be necessary to be short.

Supt. of Schools Frank Bond announced today that the program would begin with an invocation by Rev. Hollie Luter followed by a presentation of the building to the School Board by Ben Koenig of the Koenig Construction Company of Traverse City who constructed the building. Grayling School Board President Jerome Kessler will give a short acceptance speech after which Rev. Luter will pronounce the benediction.

East Jordan who proved a nemesis to the Vikings last year by dropping them in two regular season games and then defeating them by two points in a tournament play in a double overtime, are expected to be weaker this year following the loss of four regulars by graduation. Likewise, the Vikings are an unknown quantity with the loss by graduation of last year's co-captains Richard Hamilton and Dale Pettengill.

Dick Johnson, number 53, is the Red Devil's lone returning regular. Jerry O'Brien, number 34 and Jerry Harrington, number 35 were both varsity squad members last year and saw some action. These three boys are expected to form the backbone of the Red Devil's team. East Jordan's coach Gayle Saxton said.

Viking coach Bruce Smith will have David Lowe, 12; Bill Kenyon, 13; Lloyd Failing, 16 and Bob Strong, 23 all returning regulars. Gary Worden, number 25, was a varsity squad member last year, was in most games.

Coach Smith said that the probable starting line-up for the Vikings tonight would be Bill Kenyon and Gary Worden at forward, Bob Strong at center with Lloyd Failing and Captain Dave Lowe at guards. Lowe was elected captain by the squad members last week.

Dale Rohde and Gary Leslie might see action at the forward posts with Aubrey Welch and Tony Doremiere slated for some play at guard positions. This week's team was selected on the basis of their workouts thus far in practice sessions on Monday and Tuesday. Coach Smith said ball control, zone attack, zone press would all be stressed. A light workout was slated for Wednesday.

Reserve coach Larry Baumann said his probable starting five for the second team game tonight would be Bill Kellogg and Don Roberts at forwards, Newton Allison at center with Joe Lowe and Oscar Hornung at guards. Others who probably will see action in the curtain-raiser will be John Cox and Ronnie Kellogg at forwards, Clark Madson at center and Russell Mudge and John Isenbauer at guards.

The varsity game including the halftime dedication program will be broadcast over radio station WATC, Grayling, on Friday, December 2, at 3:30 P. M. Commentators will be Lewis Stillwagon of Grayling and Bob Stutesman of the WATC staff. The program is being sponsored by Peterson's Hardware, Max's Drug Store and the Motor Sales and the AuSable Insurance Agency.

US-27 Crash Kills Woman

A Thanksgiving morning two car collision one mile south of Grayling claimed the life of Mrs. Thekla Anderson, 49, of Marquette. Mrs. Anderson died at Grayling Mercy Hospital about 30 minutes after she was admitted from the results of internal injuries suffered in the accident.

Mrs. Anderson was in a car being driven by her husband, Henry R. Anderson, 58, of Marquette. He is also a patient at Mercy Hospital recovering from chest injuries.

According to Sheriff John A. Papendick and Deputy Sheriff Rolla M. Failing, who investigated the accident, Anderson who was heading south apparently attempted a left turn in order to cross to the new pavement and head back toward Grayling. The law officers felt that probably Anderson was driving on the old pavement on which he was traveling was for south bound traffic only. Anderson has still not been thoroughly questioned on the collision.

As the Anderson car entered the northbound lane of the old highway, they were in collision almost head on with a car being driven north by Lewis Kamminga, 25, of Lansing. Kamminga, who was alone, suffered minor cuts and bruises.

Kiwanis Club Notes

"The Case of Officer Halli-Brand" was the title of a thirty minute black and white movie in the program that was screened as the subject at Monday night's meeting of the Kiwanis Club of Grayling.

The film was shown by Joseph Strickland, club secretary. The picture was of the traffic accident type and was shown as a tie-in with S-D Day (safe driving day) which was proclaimed for Thursday, December 1st.

The emphasis of the picture was that the type of highways and road conditions are not the cause of accidents. The cause of the movie was "the nut behind the wheel." The movie was enjoyed by the club members and proved entertaining as well as highly informative.

Woman's Club

The Woman's Club met at the home of Mrs. Jack Wilkins on Lake Margrethe Monday of last week. Miss Mary Jane Wakeley was guest speaker, giving a report on the work of the club. The club is sponsoring the "Christmas Project" which is trying to get under way.

Mrs. Leonard Allison talked briefly on the club's Christmas project, asking the members to bring wrapping paper and ribbon to the next meeting for the wrapping of welfare gifts.

Mrs. Barney Engel, Mrs. Harold Farmer and Mrs. Matt Edson assisted the hostess in serving refreshments.

The club's next meeting is scheduled at the home of Mrs. Walter Truetzner, Monday, December 5. Mrs. Glen Fenton and Mrs. James Lamy will present the program, "Christmas Ideas."

Michelson Memorial Church News

The potluck supper honoring Jim and Marian Lamy which was scheduled for this week has been postponed till next Wednesday, when it will combine with the previously scheduled Family Night sponsored by the church school affair will follow the usual Family Night pattern. All church families are invited to come, bringing their own table service and dishes to pass, in addition with the size of their family group. Coffee for the adults and milk for the children will be furnished by the committee.

Women's Society of Christian Services

Members of the Society planned and presented the Sunday morning worship service last Sunday, in the absence of the pastor. This contribution to the program of the church is in lieu of the regular monthly offering of the Society, which would ordinarily have been held the first Tuesday in December. The annual thanks offering of the society was received at the morning service, and a meeting of the executive board was held. Thanksgiving day were Mrs. Mary Bensinger of Lansing and Mr. and Mrs. R. L. Bensinger and daughter, Peggy, and Mrs. Donald Guest and daughter, Debra of Birmingham.

Mrs. Helen Blaisdell came home from Traverse City to spend the holidays with her parents.

Mrs. Ruth McGuire spent her Thanksgiving in Shepherd with her son, Robert, and daughter, Mrs. Helen Callahan and son, Bill stayed overnight in Grand Rapids Wednesday. They were there to call on another son, Stan, at the Veterans Hospital. Bernard was a visitor at his mother's home for five days recently, during the first part of the season.

Mrs. and Mrs. James Weekes and Miss Joan Weekes and James Waggoner of Berkley spent the week end with the William LaRushes. (Mr. LaRush is grandfather to James and Joan Weekes.)

Mrs. and Mrs. Charles Duncan of Saginaw, son-in-law and daughter of Mr. and Mrs. Wm. J. Heric, and the four Duncan children, Rhoda Jean, William, Virginia and Glenn, were injured Sunday night when their car skidded and had over on M-76 north of Ster. Most seriously injured was a Jean, who was in a serious condition at St. Joseph's Hospital from a fractured skull. The others suffered cuts and bruises.

Hunters' Ball FINANCIAL SUCCESS

The Hunter's Ball put on by the Junior Class of G. H. S., November 19th was attended by a fine crowd. The class realized \$170.00 after all expenses were paid.

The new gym, scene of the dance, was decorated on a stage with real trees, surrounding a life-like hunter over whose shoulder peered a deer.

Music for the affair was furnished by Holcamp's orchestra. The Junior Class would like to thank all those who attended and also the committees who helped to make the dance a success. The class members who served on the various committees were: Music committee, Nancy Reava, chairman, Shirley Malloy, and Mickey Mikesell. Time committee, Bob Strong, chairman, Deanne Herick, Tony Doremiere, Advertising, Joan Garland, chairman, Nancy Reava, Margaret Guss, Sally Ramsey, Barbara Cornell, Sandra Sander, Carol Korhonen, Kay Ann LaMotte, Don LaMotte and Roger Rasmussen.

Decorating, Mickey Mikesell, chairman, Gary Gust, Marilyn Burch, Bob Stephan, Bill Martin, Evelyn Johnston, Jean Smith, Caroline Barker, Elaine Goss and Jim LaGrow, Tickets, Judy Sorjonen, Charles Garland, Jim LaGrow, Claude Long, Gary Leslie, Dave Lowe, Don Bancroft, Linda Failing and Roger Rasmussen.

Attention Youth Fellowship Members

There will be a youth Fellowship meeting at the Michelson Memorial Church Sunday evening, December 4th at 7 p. m., to practice the singing of Christmas carols. It is hoped that a large number of young people will turn out for this practice, so as to make the caroling a success. A luncheon will be served at the close of the evening.

Calendar

Wednesday—Junior Fellowship, 3:30.

Thursday—Youth Choir, 4:00; Adult Choir, 4:00.

Wednesday, December 7, Family Night.

Easy Coins A Quick Profit

Hear about Easy Roberts last Friday? I helped him count his money—both before and after—so believe me, the story's true.

Easy was on the way to the bank to deposit his "cookie jar" savings—exactly \$24.95 in nickels, dimes and quarters. He had them in a paper bag and as we crossed Main Street the bottom fell out.

Money went flying. Passers-by pitched in to help recover the coins. Later on when Easy counted up, he had \$25.05. The "search party" had turned up all of

Easy's money plus ten cents someone else had lost!

From where I sit, I wouldn't want to try this "Easy" way to make money. Usually, it takes time for a bank roll to grow... just as it takes time for a neighbor's rights—including his right to drink coffee, tea, beer or buttermilk, whichever and whenever he chooses—it's wonderful the solid friendship you can build. You can "bank" on that.

Local School Officials Will Fight To Determine Sales Tax Division

Locally-elected school officials have won the right to determine how a \$13,500,000 bond in sales tax money will be divided into salaries for teachers and other employees.

But it was a long fight, pitting Republicans and Democrats on opposite sides of the arena.

It was discovered that the money had piled up from record sales tax collections. Law requires that two thirds of these funds go to schools.

So, as part of the special legislative session, there was the question of how it would be divided into teacher salaries—a proposal in different forms pushed by both parties.

Then came the scramble. Gov. Williams wanted it specifically earmarked for \$200 raises for each of Michigan's 51,000 teachers. Republicans wanted to turn it over to local boards with instructions to use it for wage hikes.

Then came the teacher organization, which claimed that a \$7 per pupil increase in state money intended for raises was in some instances spent for other purposes, and pay increases ignored.

"We know that in Hamtramck, teachers could put the money to best use, rewarding teachers with experience—without putting all teachers on the same level regardless of training or talent."

Williams figured the teachers wouldn't get it at all. Also that districts operating inefficiently with large classes—would benefit more from the \$9 per pupil distribution than those who had a smaller teacher to pupil ratio.

Republicans won the battle in the legislature and Williams indicated he would accept it.

Republicans flatly rejected the idea. "I think it is improper for me to come down here and assume I know more about local school conditions than the men elected to run them," said Senator Edward Hutchinson (R. Fennville). GOP men argued that local boards could put the money to best use, rewarding teachers with experience—without putting all teachers on the same level regardless of training or talent.

Williams figured the teachers wouldn't get it at all. Also that districts operating inefficiently with large classes—would benefit more from the \$9 per pupil distribution than those who had a smaller teacher to pupil ratio.

Fighting About Toll Roads in Michigan is a continuous process, and may be for some time. There are those who think the most telling blows about the Toledo-Saginaw proposal have got to be struck.

Highway Commissioner Charles M. Ziegler has been accused, and discussed in the toll road picture for the most part because he had been most reluctant to endorse the proposed plan. There is much to be said for his position.

Many critics of the Commissioner do not seem to realize the tremendously complicated factors involved in a state road system. Laws, some of them passed years ago, provide that fixed percentages of the commissioner's income from certain sources be spent in certain places. These are not necessarily in accordance with most serious needs. In fact, there is little correlation.

Ziegler's position in the toll road hassle may prove to be a very sound one when all the facts are known. At present the Commissioner feels he will be "cursed if he does and cursed if he doesn't." So he is holding out for what makes sense to him.

Main argument will also make sense to many people who use north-south highways in eastern Michigan. The point is taken from a report written by an engineering firm. In short it amounts to this: In order for the proposed toll road to pay its way, Ziegler must not improve roads which might be conceived to compete with it. This includes as far west as US-27. It also includes routes 10, 15, 16, 23, 24, '83 and 150.

Ziegler says he cannot be come involved in such a plan. If the toll road were built, and if improvements already planned for highways on the "competitive list" were completed, if the predicted financial difficulty came into existence, Ziegler could get the blame.

If he did not provide improvements, he could suffer much abuse too. In the meantime, he is just waiting and watching.

Commissioner Joseph A. Childs is wasting no time recruiting men to fill 200 new trooper's uniforms. He started the night that the legislature, in special session, approved 200 new troopers as part of a package plan to step up highway safety in Michigan.

Childs is going to divide up the recruit school, giving mass in-

struction to the entire group in the first steps, then separating them into two sections for the final six weeks of advanced work.

With this method, he said he would be able to have the extra troopers on highway patrols before the next big summer driving push on Memorial Day.

He urged that young men apply and said they could get information at any Michigan State Police Post.

Recruits have been hard to get since World War II when candidates marched away to war. Some came back to the ranks, but, with the Korean conflict, the pickings have been slim.

Because of high State Police standards, Childs said that he would be forced to recruit many more than the 200 he needs as finished, polished law enforcement officers.

Appointees of Gov. Williams to state jobs will get a close check during the interim by Senate committee members.

The Senate Business Committee asked for the right to operate two sessions to look into the qualifications of appointees so that the Senate could make a better judgment on confirmations.

Senator Edward Hutchinson (R. Fennville) denied it would be an acquisition or a sub-rosa method of disposing of political pals of the governor who were appointed to positions in government.

"We feel this will be as much a benefit to the appointees as to the Senate," he said. "Often we hear disparaging remarks about an appointee, and we would either prove them or set them at rest."

pass on the qualifications of appointees before they are taken before the full Senate for a vote of confirmation.

He said the committee would hold no public hearings or announce results.

BAND NEWS

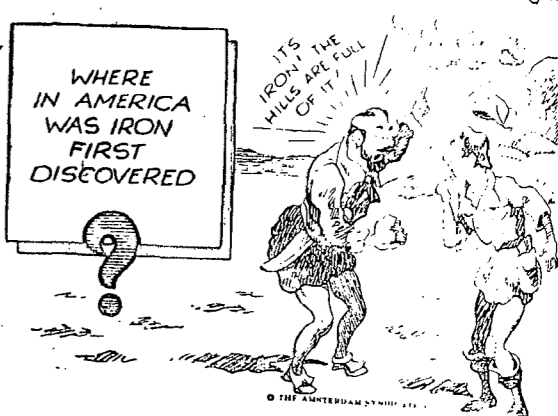

We are happy to announce that we have a new band member. His name is Frank Gross. He plays alto saxophone.

Saturday a week ago we went to Michigan State and watched the Michigan State vs. Marquette game. We started at 6:30 Saturday morning and stopped at Clare for coffee and donuts. We then went on to Lansing and ate at Lights. After dinner we went on to the game. At the half Michigan State's Marching Band performed. They formed many formations, honoring both teams, coaches and the staff. As you all know, Michigan State goes to the Rose Bowl against U. C. L. A.

We wish to thank Mr. Christian for making the trip possible, to thank Amos Hoesli for driving us there and Rev. Luter for chaperoning. We had a swell time and hope we will be able to go next year.

We are now practicing for basketball games. Our first one is December 1st. We play East Jordan. Let's all be there! Also the dedication of the gym will take place on that night.

THURSDAY, DECEMBER 1

IS S-D (Safe-Driving) DAY

PRESIDENT EISENHOWER HAS NAMED DECEMBER 1 THE DAY FOR A NATION-WIDE EFFORT TO REDUCE TRAFFIC ACCIDENTS. THE CHALLENGE CONFRONTING US IS TO REMAIN COMPLETELY FREE OF TRAFFIC ACCIDENTS FOR A 24-HOUR PERIOD THAT DAY. WE CAN DO THIS IF "EVERYONE" WILL OBSERVE THREE BASIC SAFETY PRINCIPLES:

1. ALWAYS BE COURTEOUS TO EVERY DRIVER AND PEDESTRIAN.
2. OBSERVE BOTH THE LETTER AND THE SPIRIT OF ALL TRAFFIC REGULATIONS.
3. GIVE YOUR FULL ATTENTION TO DRIVING AND WALKING.

DO YOUR PART IN THIS LIFE-SAVING, ACCIDENT-PREVENTING EFFORT... YOU HAVE A SHARE IN TRAFFIC SAFETY. MAKE COURTESY YOUR CODE OF THE ROAD.

OUR SUGGESTION IS THAT ALL DRIVERS IN CRAWFORD COUNTY ACCEPT THE FOLLOWING CODE OF THE ROAD AS THE PRINCIPLE UPON WHICH THEY DRIVE —

CODE OF THE ROAD

Courteous driving will save lives. My code of the road is
COURTESY. I will NOT be the cause of an accident. I WILL —

- SHARE the road by driving in the proper lane.
- ALLOW ample clearance when passing.
- YIELD the right of way to other drivers...to pedestrians.
- GIVE proper signals for turns and stops.
- DIM my headlights when meeting or following vehicles.
- RESPECT traffic laws, signs, signals and road markings.
- ADJUST my driving to road, traffic, weather conditions

Lifetimes Of Study

One thing is sure about the practice of medicine—
is a field where education never ends—where the
educational process must go on throughout the phy-
sician's entire active life.

That thought comes to mind on reading the agenda
for the American Medical Association's forthcoming
meeting in Boston.

This postgraduate education meeting is expected to
be the largest ever held, with an attendance of 4,000.
About 200 scientific papers and exhibits have been
scheduled for presentation. Papers will be given in
three lecture halls, offering the physician a wide vari-
ety of choice in subjects. Leading surgeons and ob-
stetricians will be available for individual problem dis-
cussions. Closed circuit television programs, originat-
ing in a New England hospital, will bring live opera-
tions in color to the gathering place. More than 50
motion pictures will be shown. And there will be a
technical exhibit with more than 150 displays.

This is a major event. But in its purpose and
method it is certainly not unusual. All over the coun-
try physicians meet—on the regional, state, and local
level—to discuss and to learn. And their educational
pursuits are not limited to formal gatherings. The doc-
tor, as a matter of routine, must spend many hours each
week, above and beyond the demands of his practice,
keeping up with medical literature. For new horizons
of knowledge are always being explored, and light cast
into dark places.

Under our free system, doctors do this voluntarily
—not because any one factor forces them to. And the
drugs are found in the fact that we have the highest
standards of medical care of any major nation on earth.

Bad Taste Won't Sell

The level of taste of the American consumer has
been raised to such a degree since the depression that
"bad taste no longer will sell any place in the country."

That statement was made by an officer of a com-
pany which produces fabrics, in a speech before the

graduate class at New York University's School of Re-
tailing. He went on to say that in the last 20 years
"there have been more radical changes... than there
were in the preceding 300 years of retailing. People
now insist upon clothes that are colorful, lighter in
weight, and packable for traveling; furniture that is
informal; china that is bright and gay; and fabrics that
are crease-resistant and machine-washable and need
little or no ironing."

Such striking advances have not been confined to
manufactured goods. The retail food store of today, to
add another example, would have made our grand-
mothers blink their eyes in disbelieving amazement.
New processing and packaging techniques have enor-
mously reduced the amount of time the housewife
needs to spend in preparing her meals—and, also, have
made foods which once could be had only in season,
available at all times of the year. It's a far cry from
food in the raw state to freezers loaded with ready-to-
serve meals.

This brings up another point. There has been
complaint about the spread between the prices paid
the producers of various commodities and the prices
charged consumers. The answer can be found by just
looking around any modern retail store. All the pro-
cessing and packaging and other desired services cost
money—and the cost must be added to the selling price.
There is no big profit margin in the highly competitive
retail industry.

A last period drive by the
Alumni gave them a winning mar-
gin over a determined Grayling
High School team, and recorded
on the books a 29-25 victory in a
year old battle played last week
Wednesday before a small crowd.
The twenty attracted crowd of
the lid of the 1932-33 basketball
season in fitting style. It is cus-
tomary for Alumni teams to de-
feat high school teams and in this
case the Alumni represent consid-
erably more than the average or-
ganization of such a team. Even
so they had to go at top speed
through four hard periods to
emerge the winners. It was a
good game to watch, with plenty
of action and both good and rag-
ged play in all sorts of combina-
tions. The High School team
showed above all else its possi-
bilities. It is a team as yet in the
stages of development, meeting its
first test. It showed remarkably
well for this stage of the season,
and besides showed a future
which will make the going hard
for the opponents. The High
School reserves took on a team
recruited in the school outside of
the basketball squad. The sec-
onds were ragged enough in their
execution to have a job staggering
through to a 24-22 victory which
wasn't settled until two overtimes

had been played. This gave the
High School an even break for the
evening and also provided a fine
preliminary.

Fire broke out yesterday fore-
noon in that part of the old Bur-
ton Hotel building occupied by A.
E. Hendrickson as a tailor shop.
It started around the chimney
and when first noticed smoke was
rolling from the top of the build-
ing. The fire surged through the
upstairs rooms and completely de-
stroyed the interior of the build-
ing, but by the time work of the
fire department, which was on
the job in no time, the flames
were confined to the inside and
were soon gotten under control.
The building is one of Grayling's
old landmarks and at present is
owned by Rasmus Rasmussen.
The loss is estimated at \$1,500,
which was covered by insurance,
however Mr. Hendrickson suc-
ceeded in removing the contents
of his tailor shop to safety, so he
had no loss.

The hour for school to begin
has been changed from 8:30 to
9:00 o'clock, the change going into
effect last Monday. Formerly
school commenced at 8:30 in the
morning and dismissed at 11:30
for lunch, an hour and a half be-
ing allowed, and the afternoon
classes starting at one. Now
school begins at 9 and dismisses
at 12:00 noon. Afternoon classes
are called at 1:15 and dismissed
at the usual hour, 4:00 P. M., five
minutes being taken off each
afternoon class. We hope this

change will be more convenient
for the students, and will over-
come much of the tardiness which
has become rather noticeable.

rink is 280x150 feet in size and is

an artificial body and the water
seeps in from the ground and
there is no danger of the ice
breaking in. This is a pleasant
assurance to parents as all ele-

Avalanche — are doing a little hunting.

Maple Forest
By Mrs. Bessie Feldhauser and Mrs. Arthur Howse
Mr. and Mrs. Jim Gibson, of Royal Oak, are visiting at the Osar Parsons home. Mr. Gibson is enjoying some hunting.

Victor Parsons, of Royal Oak, spent the weekend with his parents, Mr. and Mrs. Oscar Parsons. Thanksgiving guests at the George Bradstreet home were their son Hal and family.

Mr. and Mrs. Edward Reihl of Mt. Pleasant and the Ed Feldhauser family and Carol Ann Baym were Thanksgiving dinner guests at the Jack Feldhausers in Grayling.

Mr. and Mrs. Henry Smith entertained 23 members of the Smith family at their home at a Smith reunion Thanksgiving dinner.

The Lawrence Smiths and Mary Smiths have been spending the Thanksgiving weekend at the home of their mother, Mrs. Myrtle Smith, the boys enjoying the deer hunting.

Gayle Lee Feldhauser spent her Thanksgiving vacation with grandparents Mr. & Mrs. Ed Feldhauser. Earl Winninger and son Earl Jr. are spending a few days at their place here, and doing some hunting.

Lee Charron is at home with an honorable discharge from the army because of poor health.

The Fred Blaauw's had four children home ill with the mumps last week.

Clayton Sherman, a former resident, called on friends in Maple Forest on Wednesday.

Jim Verlinde has been on the sick list.

Robert and Marion Slovak of Flushing spent the weekend with the Bud Reeds.

Archie Howse made a business trip to Johannesburg on Saturday.

Bear Lake News
By Mrs. Mabel Dingman
Well, my first news this week is from Ohio but in Michigan. Fred Drown and Buck Stecker, cabin owners on Blue Lake, whose hangout at home is Snyder's Wayne Grill on Wayne Street in Toledo and whose sister lives in Johannesburg and is editor and publisher of the North Woods Call, Margaret Gahagan, had their troubles hunting. Poor Buck got lost—good thing he had a compass so he could go due west.

Art Hutchings was up again, not the same old Art, but we still were very glad to see him.

Had a nice hunting party from here, seven of us. Three got lost, myself, Bill Ray and Buck Stecker. But after six hours and lots of worry, we returned safe. I guess we all would like a cowbell for Christmas. My advice after this experience is... please believe your compass.

Owen Batloff and party are on Club Lake, all from Pon-

ing, but it can't shoot any better than he shoots shuffleboard, the bucks are safe. Red Lewis, from Kalkaska is using his eyes again. His daughter, Dixie Lee, 14 years old, bagged her first buck.

They come from everywhere to area. Ed Youmans from Kalkaska just came in with a six point shot near Goose Creek. His party consisted of Walter Lewis of Central Lake, Charlie Patenzek of Bellaire, Harry Easley of Rapid City and George Loop of Traverse City.

The Batloff party has not connected as yet and we have our fingers crossed for them, only three days left.

Wild Bill has gone home but as usual Dorrie is back. I mean the Rays. Her friends from Ortonville and Gaylord visited with her on Saturday and Sunday. They were Barney and Mary Houghtaling, Joe and Anne Wilson, Chuck and Doris Cullen, Ray and Lorraine Mellin.

This is late news but, John Franja from Elmore, Ohio, was up hunting the first of deer season and his first letter after his return home was "did you find my shoes" and in his second letter "where is my jacket?" Now we can call him "Barefoot Johnny."

I still say Art Worden can't shoot a bear without a borrowed gun.

Joe Newman from Joe's Mart and his friends were in Saturday, but Joe tells us friends not to wear ties during hunting season. Kieran P. Coughlin and brother James J. from Detroit, retired policeman, have a cabin on M-72, west of Kalkaska. They didn't get their deer, but they say it is okay as long as there isn't another deer season so they can come up to Northern Michigan and see deer.

Dick Furtney and family and friends are up but are strictly cabin hunters. As far as shooting, bump goes "do."

Sights are sights, but I think I saw one of the best. Sixteen hunters coming out of a green swamp into a red sunset, all dressed in different shades of red.

Beaver Creek
By Mrs. Lloyd Atkins
Mrs. Laura Beutler of Roscommon called on the Sam Sherwoods a week ago Sunday.

Mrs. C. M. Harney spent last Friday a week ago in Cadillac.

Mr. and Mrs. Jack Minnear and family spent Thanksgiving in Clare as the guests of Mr. and Mrs. Harold Moose.

Mr. and Mrs. Junior Bonar spent Wednesday evening with the former's parents in Beaver Creek. Mr. and Mrs. Dewey Bonar and their grandfather, Pop Dudley.

The Reverend and Mrs. Ed Crandall of Detroit spent Thanksgiving with Mr. and Mrs. Dewey Bonar and Pop. Mr. Crandall is the daughter of Mr. and Mrs. D. Bonar.

Mr. and Mrs. Lloyd Atkins and family spent Thanksgiving with Mr. and Mrs. Chester Melure of Higgins Lake.

The Bob Hunters had as their guests over the week end and Thanksgiving, Mr. and Mrs. Lawrence Crut, and Mrs. John Klein and son Billy of Saginaw and their daughters Jane and Jo Hunter of Mercy College were home for the holidays, and their friend Miss Morene Bateman who is attending Mercy and is originally from Iowa.

Tom Gibbons was a Sunday morning guest of the hunters and returned with Jo and Jane to Detroit where he is in college. Tom and the girls called on the Atkins family before departing Sunday.

Mr. and Mrs. Charles Armstrong and children and Mrs. John Carr, were guests of the Sam Sherwoods Thanksgiving. Mrs. C. M. Harney is spending a week in Nowata, Oklahoma visiting her mother.

Mr. and Mrs. Sam Sherwood called on Mrs. Gibson at the T. B. Sanatorium at Gaylord Sunday.

Mr. and Mrs. Lee Hook have returned from Kansas after spending two weeks there with Mr. and Mrs. Frank Toops and family and

Mrs. Laura Toops all of Osawatomie.

Mrs. Jim Tollison and Mrs. John Beutler spent last Friday in Traverse City.

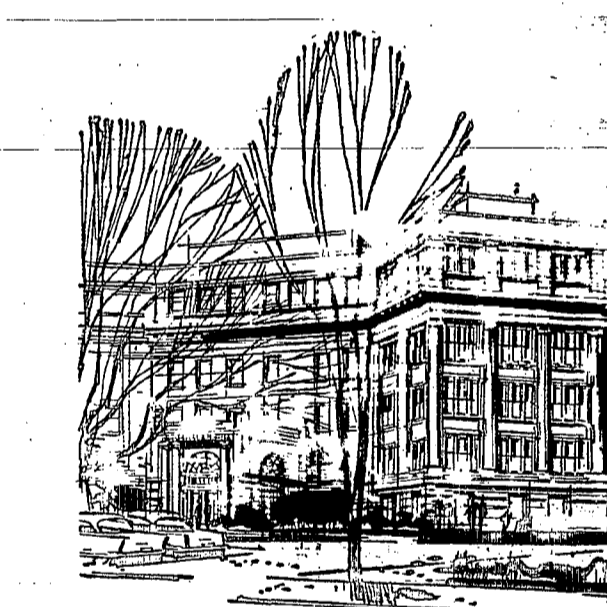

Mr. Donald Beutler of Lansing was a guest at his brother Mr. John Beutler's last weekend.

When Mary Ellen Grippen celebrated her ninth birthday, it was with a T. V. birthday party on Deputy Don's Show over Station WPBN. Mrs. Frank Millikin and Mrs. Floyd Millikin drove the 11 little guests over to Traverse City for the show. After returning home, the children enjoyed a birthday supper along with a lighted cake and ice cream. Mary Ellen received many lovely gifts. Her classmates and little friends who appeared on T. V. were Karen Mauren, Jackie Lucksted, Jan Howard, Mary Ellen and Lydia Grippen, John Millikin, Janette Nelson, June Tinker and Sandy and Beth Ann Millikin.

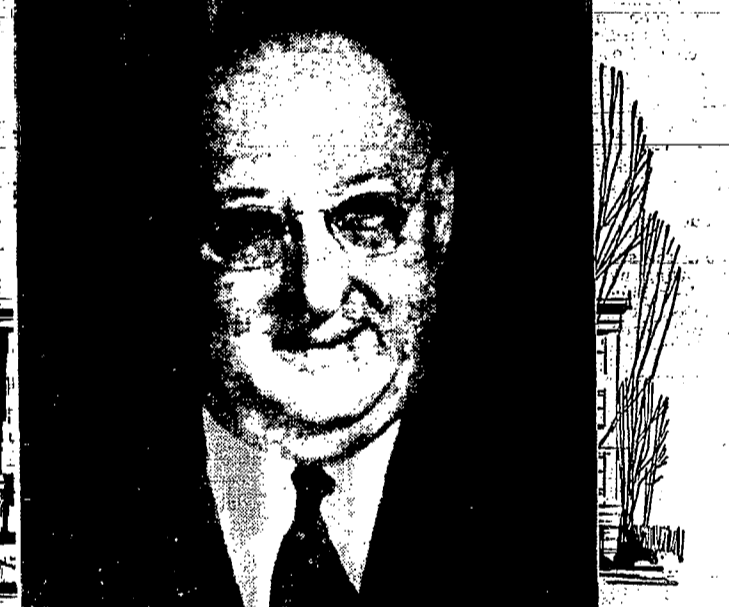

Thanksgiving Day guests at the home of Mr. and Mrs. Frank Millikin were Mr. and Mrs. Floyd Millikin and family of Roscommon, Miss Bona Belle Millikin of Lansing and John Annen of Detroit.

The Edward W. Sparrow Hospital, Lansing

Past President of the Michigan Hospital Association, member of the American College of Hospital Administrators, and Director of the 291-bed Sparrow Hospital, Mr. Glen Fausey knows the importance of hospital protection that keeps abreast of today's hospital costs. "The way Blue Cross protects its members," he says, "it's easy to see why more than half of our patients have it."

Blue Cross protects you in terms of today's hospital costs!

says Mr. Glen Fausey, Director, Edward W. Sparrow Hospital, Lansing

"If you have the same hospitalization coverage you had, let us say, five years ago, and you are paying the same rates, you have something that will not do a job for you in our hospital. I don't know of a hospital where it will do a real job for you.

"You see, our costs have gone up more than 35 per cent during the past five years. The first requirement of realistic hospitalization coverage is that it keep up with hospital costs.

"This is why we are for Blue Cross. Blue Cross benefits always keep up with the times. They give you protection in terms of today's hospital costs and the requirements of today's hospital practice.

"Most people have learned to appreciate this fact. More than half of our patients have Blue Cross-Blue Shield."

DAWSON'S

VAN HEUSEN CENTURY SHIRTS

with the new soft collar that won't wrinkle

over!

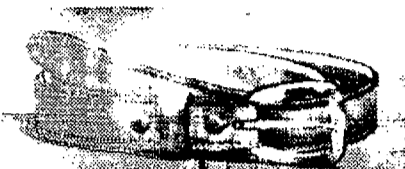

There's a very special difference between the Van Heusen Century - America's fastest-growing single shirt - and ordinary shirts. And what's more, you can actually feel it. First, feel a fused collar... stiff, scratchy, it curls and wears fast. Next, feel a "stay" collar... limp, needs starch or bumpy stays, hard to iron. NOW, feel a Van Heusen Century collar. It's made in one single piece... can't wilt or wrinkle... never needs starch or stays. And it irons in one stroke because the fold-line is woven right into the fabric. Lasts up to twice as long. Costs no more. White, \$3.95.

ALL-STEEL BEAUTY

at a steal of a price

The 1956 Buick SPECIAL 4-Door, 6-Passenger Estate Wagon

NO uncertain terms, this one makes your travel hours prideful as well as practical. It's all Buick, you see—all 1956 Buick.

Which means a new lift to anyone's spirit—from the new sweep-ahead look of it—the new might of its 322-cubic-inch V8 engine raised to lofty new power highs—the new size of its advanced Variable Pitch Dynaflow—the true sweetness of its great new ride.

But it's a lot more than that.

It's Buick's highly versatile Estate Wagon—now substantially lowered in price for 1956—and how much more practical can you get than that?

For with this one, and for an easy-to-reach

figure—you have a car with all the suavity and comfort of a sedan, with the all-duty handiness of a suburban vehicle.

You have a car completely steel-bodied, so its exterior upkeep stays simple and inexpensive—and a car more than roomy enough to carry six and their gear.

You have a covered platform that's wonderful for a host of things. It can take an inflated air mattress for sleeping. It can freight a small rowboat and camp equipment. It can hold vacation luggage, or golf clubs and such—or the results of a mad shopping spree, even if you go in for antique furniture.

You can even have the folding rear seat come, at your option, in a handy split-section arrangement that lets you carry both rear-seat passengers and extra-long loads like skis, or fishing rods, or young trees, or two-by-fours.

So what more can we say, except come see it.

The Estate Wagon is available in Buick's two lowest-priced Series—the budget-tagged SPECIAL, and the great CENTURY. And, we repeat, both newly lowered in price for 1956.

New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

YOUR HEALTH IS OUR BUSINESS

by ART GOODRICH

Everyone remembers the crazy days just after the war when people were standing around with fistfuls of money willing to pay more for a used car than for a new one (since they couldn't buy a new one anyway).

Even then, the old law of supply and demand hadn't been repealed. Cars sold easily, but there were fewer to sell. Now, there are lots of cars, but you work harder to move them.

Sure, there were used car dealers in those days who cleaned up. But then as now the basic rules of the new car dealer remain.

A new car dealer like ourselves in the user-car business only to make it easier to sell new cars, to provide a market and an incentive for people to trade. The rule of thumb is that you make NO money out of the used car side of the business.

But what a funny business! With used cars you're handling a product that's falling in value every day. About a dollar a day according to industry cost accountants who have made a study of it.

Ah! you say, I'll just wait 100 days and save \$100 on the car I liked. No! I'm afraid the rules work for everyone. We won't hang on to a used car for 100 days — why make it more of a losing business. And the car YOU have is dropping a dollar a day too.

And despite all the new cars on the street strange things are happening in the new car business. A national survey showed that in 1950 the average profit in the business was a modest 6.8 per cent. Last year it was down to 6 per cent. Yes, I said POINT six — six-tenths of one percent.

No, we're not weeping, but we do think that if we claim to know something about cars and I think we do, you should know something about us.

For centuries "Courtesy" has been the key that unlocked many doors. Sir Walter Raleigh is more often remembered for his acts of courtesy than his deeds of valor.

Unfortunately, in the hectic rush of modern day living — acts of courtesy are more and more confined to the home — to social gatherings — in places where the individual is known and easily overlooked. However, courteous acts are frequently overlooked when the same individual is behind the wheel.

No one likes to be told he is impolite. It therefore becomes necessary for everyone to adopt courtesy as his own "Code of the Road" and live up to it! Courtesy extended by one driver to another can spread — it can become an epidemic — for courtesy is contagious!

Chevrolet's modern "clinic-on-wheels" for reconditioning used cars and trucks can be seen in action at Art Goodrich's.

This unit is one of a fleet of 16 now traveling throughout the country as a means of explaining and demonstrating at Chevrolet dealerships the latest equipment, materials and methods for quality used car and truck reconditioning.

according to Mr. Goodrich. Eight of the fleet are tractor-trailer units, each carrying enough equipment to completely establish a reconditioning department. The remaining eight are specially equipped panel trucks, recently added to the fleet, which carry a compact cargo of 1,600 pounds of similar demonstration equipment and materials.

The eight tractor-trailers have been in operation since last October and are continuing on a schedule of clinics at Chevrolet dealerships all over the country with bookings more than six months ahead. The panel trucks have been added to the fleet to augment that work.

Instructors in charge of the 16 mobile clinics completed a most comprehensive course on all phases of reconditioning, qualifying them to advise dealer personnel on latest reconditioning methods and demonstrate the most modern equipment and materials available.

This traveling clinic program is made available to Chevrolet dealerships as another means of assuring buyers of top dependability and values where the Chevrolet "OK" symbol is displayed, Mr. Goodrich said.

In 1954 the American Red Cross processed 1,158,000 cases for servicemen seeking Red Cross aid at military installations and hospitals, in the states and overseas.
